reignite your heart and live with passion for god today many christians look more like the world than christ why immediately we try to blame sin corruption and the

immoral state of society all external things but what if there is a deeper issue that demands a deeper solution what if we could identify the very factors that when practiced could cause believers to enjoy a lifestyle of passion and pursuit of god in living from the inside out prayer leader antonio baldovinos goes straight to the heart of the matter the heart of the believer get ready for your heart to burn for jesus as you figure out why god created you and discover how he sees you pursue the pleasures that bring you true satisfaction develop a daily lifestyle of intimacy with the holy spirit experience victory over desires of the flesh by building up a strong spirit you were created to experience god intimately and reflect him clearly as your heart burns for him the world will want to experience the one who ignited it jesus

god wants your whole heart so let him have it does your relationship with god feel stale and predictable do you struggle to find the time and energy for prayer then perhaps you re being too polite with god if your prayers lack passion and honesty then god may be as bored as you are guarded and religiously correct prayers might sound nice but to god they sound half hearted he wants you to pray with freedom boldness and raw honesty the prayers we find in the psalms run the gamut from awed worship to stunned silence to doubt desperation and rage david and others like him had no time for safe sanitized prayers they wrestled with god when they prayed with no holds barred starting today you can enjoy an energizing intimacy with god no holds barred will help you plunge deeper into different types of prayer asking thanking praising and confessing it also will lead you into new forms of praying prayers of desperation and doubt prayers that question god s apparent slowness prayers that demand answers these are the prayers that hold your attention and that capture god s attention don t wait any longer to begin a rich new conversation with god

outreach 2022 recommended resource spiritual growth all fruitful doing must begin with being for many christians it s easy to be swept up into the fast pace of modern life desiring to do much for god but we struggle to slow down and be with god according to pastor enneagram teacher and author aj sherrill being with god is what empowers doing for god sherrill shares his own journey from busy christianity to the ancient paths of contemplative practices he equips readers to integrate rhythms of stillness silence and solitude offering step by step guidance and examples of finding solitude both personally and on retreats sherrill warns that making these changes appears absurd in a society where time is money productivity is central and hurry is a way of life he guides readers gently through the beginning and often confusing stages of

contemplative practice citing timely insights from the world of neurology and mental health he shows that solitude is crucial not only for christian growth but also for holistic flourishing foreword by rich villodas readers will emerge centered in christ well on their way to this goal slow down pay attention be still and be loved

focuses on the concept of communion with god in the work of puritan theologian john owen covering key areas such as anthropology the incarnation the trinity and the lord s supper

this book is based on my pursuit to become one with god this pursuit involved how i tried to incorporate the word of god in my life as well as how i realized how it works and how long it took to come into my life god has been talking to me since i was a little child and i had no idea who he was i am not saying to anyone who reads this book that what happened to me will happen to you let it be according to your own belief to give you an idea one of my prayers took seven years to answer

as believers we were made for intimacy with god the lord jesus gave his life for us so that we might have intimacy with him god knows that the more we get to know him the more we will know of life the life we were created to experience by focusing our thoughts on him we will grasp more fully his goodness and be all the better for it we ll come to see how much we really do depend on him for everything from salvation to strength for each new day to the next breath we draw into our lungs to know god intimately trust in him faithfully and depend on him consistently you want this immediately so you must seek him passionately journey now along the pathway following the sweet enticing fragrance of heaven but don t expect a walk in the park in every life there are times when the road narrows and the skies grow dark seasons of suffering are as certain as the glorious destination before you yet you are called to go and the source of your spirit s restoration promises to never leave your side daily inspiration from joni eareckson tada gently guides your steps to a closer more intimate walk with your savior and as you travel new life his life is freely yours as a gift story behind the book in the thirty seven years i ve lived as a quadriplegic i have been forced time and again into the arms of jesus sometimes my paralysis has pushed me down the road to calvary like a sheepdog snapping at my heels sometimes suffering is like jackhammer breaking apart my rocks of resistance and pride most often my

wheelchair has dumped me at the foot of the cross and i have rested there by the overwhelming conviction that i have nowhere else to turn but that s okay in fact it s a blessing it s all a bruising of a blessing because near the cross in the arms of jesus i have discovered deep sweet peaceable intimacy with the savior it s an intimacy worth sharing
